

 **MEBELFAB**  
CHAIRS & TABLES

## company profile

“MEBELFAB” PLC was founded as a wood processing enterprise in 1964. The production base is situated in an area of 26 000 square meters, from which 10 000 square meters are premises. In 1997 the factory was privatized and more than 97 % of the capital became property of private persons. In 1998 the production cycle was closed – from the primary processing of the raw material, which is of local origin, to the elaboration of the final product.

In 2004 and 2006 new modern technological equipment was purchased, which allowed us to produce a broad range of articles from massive beech wood. Now the emphasis of our productive activity is production of chairs and tables for houses, restaurants and gardens.

The last few years we have successfully affirmed in our work the principle of optimal combination of high quality and competitive prices, which is the main prerequisite for the fact that more than 90 % of our products are exported abroad. We have long-term clients in a number of countries, like England, Italy, United States of America, Israel, Spain, Greece, Lithuania, Holland, Germany etc.

For us it will be a pleasure and a great challenge if together with you – our future clients we elaborate and produce new up-to-date articles for the market by your choice and design.

company profile

MEBELFAB AG ist als ein holzverarbeitendes Unternehmen im Jahre 1964 gegründet. Die Produktionsbasis befindet sich auf einer Fläche von 26 000 Quadratmetern, von denen über 10 000 Quadratmeter geschlossene Räume sind. Im Jahre 1997 ist die Fabrik privatisiert, und mehr als 97 % des Kapitals wird von privaten Personen besessen. Seit 1998 ist ein geschlossener Produktionszyklus eingeführt – von der ersten Verarbeitung des Rohstoffes, der lokaler Herkunft ist, bis zur Fertigung des Endproduktes.

In den Jahren 2004 und 2006 wurde neue moderne technologische Ausrüstung gekauft, die uns erlaubt, eine große Vielfalt von Erzeugnissen aus massivem Buchenholz zu produzieren. Der Akzent unserer Produktion sind zur Zeit die Stühle und die Tische für das Haus, das Restaurant, das Hotel und den Garten.

In den letzten Jahren wenden wir in unserer Arbeit erfolgreich das Prinzip für optimale Kombination von hoher Qualität und Wettbewerbspreis, was die Grundvoraussetzung ist, dass mehr als 90 % unserer Produktion nach Ausland gerichtet wird. Wir haben feste Kunden in einer Reihe von Ländern, wie z. B. in England, Italien, in den USA, in Israel, Spanien, Griechenland, Litauen, in den Niederlanden, in Deutschland u.a.

Für uns wird es ein Vergnügen und eine Herausforderung sein, wenn wir zusammen mit Ihnen – unseren zukünftigen Kunden – neue, aktuelle für den Markt Erzeugnisse nach Ihrem Wahl und Design erarbeiten und herstellen würden.
